Transition programme for New Reception starters September 2020

Due to the Covid-19 restrictions, we are unable to have children on site for transition visits before the summer. We have created a transition programme during the first week of the Autumn Term to allow children to have the opportunity to familiarise themselves with the school environment, the adults they will be working with and the routines of the day.

Each Class Base will be split in to 2 groups, A and B (you will be informed of your child's group when you receive confirmation of the Base they are in). During the first week all children will attend for the following sessions

Date	Children attending	Hours attending
Tuesday 8 th September	Group A (15 children) from each Base	Morning and lunch – leave at 12.45
Wednesday 9 th September	Group B (15 children) from each Base	Morning and lunch - leave at 12.45
Thursday 10 th September	All children	Morning and lunch (leave at 12.45)
Friday 11 th September	All children	All day

Week beginning Monday 14th September all children will be in full time.
