Breakfast & Afterschool Club Arrangements for September

Dear Parents / Carers

We are writing to inform you of our plans to resume the wraparound care provision at Cranbrook Education Campus for the Breakfast & Afterschool Club in September.

We have been closely reviewing the guidance set out by the government for childcare providers, which includes wraparound care providers, to ensure we can provide this vital service for families safely during this difficult time while taking all possible steps to ensure the safety of the children while in our care.

With guidance in September changing again we have been working closely alongside the school to ensure we can provide a provision to as many families as possible whilst adhering to the regulations set out by the government.

From September we will be using our existing room along with a further adjacent room and the canteen area if we need to. Children will be booked onto the club in two groups, a KS1 and Nursery group and a KS2 group. These groups will be kept in separate areas ensuring that there is no mixing and each will have their own resources. **It is important that when making your bookings you book your children into the correct group.**

We will follow the same routine we were using before the Easter holidays of parents signing in and out from the entrance door meaning we will be unable to invite you into the building.

We recognise that parents childcare needs may have changed during this uncertain time therefore if any parents wish to amend or cancel their existing priority bookings for September they must have contacted us before 17th July to do this.

We hope to have booking forms live on the website and ready for September bookings by 1st August, this is also when priority bookings should expect to receive their invoice for September.

Our popular summer holiday club is also operating at CEC this Summer and booking forms are already live. We will be open from Week beginning 20th July for 6 weeks from 8.15am-5.45pm.

Please do not hesitate to call us if you require any further guidance,

Thanks for your support and we cant wait to get back to CEC
Dan & Sarah
and all the CEC FISH Team
