Dear Parent/Carer,

11th February 2022

Re: Focus week- Monday 28th February- Friday 4th March 2022

What a first half of the Spring Term since the Christmas break these weeks have been! Writing this letter in the penultimate week of the February half term, we as a Campus feel significantly more settled from our position of 2 weeks ago where Covid was sweeping through the school causing disruption and bringing daily challenges to staff and pupils alike. This first half term of 2022 has shown staff (and visitors when we have been able to have them!) how wonderfully Proud, Kind and Safe the Secondary pupils at Cranbrook Education Campus are. Pupils have demonstrated resilience and adaptability in abundance and have played a vital role in the continuation of high standards and expectations across the Campus.

With this in mind, we move our thoughts to Focus Week from Monday 28th February-Friday 4th March 2022. During this time our Focus will be on ensuring that pupils continue to demonstrate their Pride for their school community through our Uniform and jewellery expectations. Exemplary uniform is always expected at the Campus, ensuring that all opportunities for learning are seized in the classrooms. Our pupils excel at meeting these expectations and during Focus Week, they will receive 5 House Points per day from their Tutors for excellent uniform. Pupils that do not meet our uniform and jewellery expectations around the Campus during Focus Week will stay with us for an hour after school in the Reset room.

I have attached the link to our Uniform policy below:

<https://www.cranbrookeducationcampus.org.uk/about-us/uniform/>

I hope you all have a wonderful half term.

Yours Faithfully,

Mr Hugh O'Shea

Assistant Headteacher: Behaviour, Personal Development and Welfare
